

# Quality & Safety in Health Care

# Contents

## Editorial

- 78 Turn up the heat on health professions education  
*D P Stevens*

## Commentary

- 79 Reducing racial and ethnic disparities in health care: an integral part of quality improvement scholarship  
*M H Chin, A T Chien*

## Error management

- 81 Development of the Leapfrog methodology for evaluating hospital implemented inpatient computerized physician order entry systems  
*P M Kilbridge, E M Welebob, D C Classen*

## Organisational matters

- 85 How can the principles of complexity science be applied to improve the coordination of care for complex pediatric patients?  
*A G Matlow, J G Wright, B Zimmerman, K Thomson, M Valente*

## Quality improvement report

- 89 Use of a standardized protocol to decrease medication errors and adverse events related to sliding scale insulin  
*A C Donihi, M M DiNardo, M A DeVita, M T Korytkowski*

## Original articles

- 92 Building safer systems by ecological design: using restoration science to develop a medication safety intervention  
*P B Marck, J A Kwan, B Preville, M Reynes, W Morgan-Eckley, R Versluys, L Chivers, B O'Brien, J Van der Zalm, M Swankhuizen, S R Majumdar*
- 98 Participating in a trial in a critical situation: a qualitative study in pregnancy  
*S Kenyon, M Dixon-Woods, C J Jackson, K Windridge, E Pitchforth*
- 102 Unscheduled returns to the emergency department: an outcome of medical errors?  
*S Nuñez, A Hexdall, A Aguirre-Jaime*
- 109 Measuring safety climate in health care  
*R Flin, C Burns, K Mearns, S Yule, E M Robertson*
- 116 Preventing drug related morbidity: a process for facilitating changes in practice  
*C J Morris, J A Cantrill, A J Avery, R L Howard*
- 122 Reconcilable differences: correcting medication errors at hospital admission and discharge  
*T Vira, M Colquhoun, E Etchells*
- 127 Treating the clock and not the patient: ambulance response times and risk  
*L Price*
- 131 Quality of diabetes care and coronary heart disease absolute risk in patients with type 2 diabetes mellitus in Australian general practice  
*Q Wan, M F Harris, U W Jayasinghe, J Flack, A Georgiou, D L Penn, J R Burns*
- 136 Patient assessments of a hypothetical medical error: effects of health outcome, disclosure, and staff responsiveness  
*A Cleopas, A Villaveces, A Charvet, P A Bovier, V Kolly, T V Perneger*

## Heroes and martyrs of quality and safety

- 142 Walter A Shewhart, 1924, and the Hawthorne factory  
*M Best, D Neuhauser*

## PostScript

- 144 Letters

## Miscellanea

- 115 Echo: NICE guidelines for head injury are cost effective
