

Contents

Editorials

- 169** From incident reporting to the analysis of the patient journey *P Trbovich, C Vincent*
- 172** Every patient should be enabled to stop the line *S K Bell, W Martinez*
- 177** Engaging with theory: from theoretically informed to theoretically informative improvement research *R Kislov*

Original research

- 180** Connecting perspectives on quality and safety: patient-level linkage of incident, adverse event and complaint data *M S de Vos, J F Hamming, J J C Chua-Hendriks, P J Marang-van de Mheen*
- 190** We want to know: patient comfort speaking up about breakdowns in care and patient experience *K A Fisher, K M Smith, T H Gallagher, J C Huang, J C Borton, K M Mazor*
- 198** Explaining organisational responses to a board-level quality improvement intervention: findings from an evaluation in six providers in the English National Health Service *L Jones, L Pomeroy, G Robert, S Burnett, J E Anderson, S Morris, E Capelas Barbosa, N J Fulop*
- 205** Low-value care in Australian public hospitals: prevalence and trends over time *T Badger-Parker, S-A Pearson, K Chalmers, J Brett, I A Scott, S Dunn, N Onley, A G Elshaug*
- 215** Facilitators of interdepartmental quality improvement: a mixed-methods analysis of a collaborative to improve pediatric community-acquired pneumonia management *J A K Leyenaar, C B Andrews, E R Tyksinski, E Biondi, K Parikh, S Ralston*

March 2019 Volume 28 Issue 3

- 223** Sicker patients account for the weekend mortality effect among adult emergency admissions to a large hospital trust *J Sun, A J Girling, C Aldridge, F Evison, C Beet, A Boyal, G Rudge, R J Lilford, J Bion*

Narrative review

- 231** Artificial intelligence, bias and clinical safety *R Challen, J Denny, M Pitt, L Gompels, T Edwards, K Tsaneva-Atanasova*

Viewpoint

- 238** Framing the challenges of artificial intelligence in medicine *K-H Yu, I S Kohane*
- 242** Redesigning care: adapting new improvement methods to achieve person-centred care *O Bhattacharyya, D Blumenthal, R Stoddard, L Mansell, K Mossman, E C Schneider*

Quality & safety in the literature

- 249** Quality & safety in the literature: March 2019 *A Gupta, M S Hausman, Jr., N Houchens*

Correspondence

- 253** Sentinel lymph node biopsy for in situ melanoma is unlikely in Australia *R L Morton, J F Thompson*
- 255** Response to: 'Sentinel lymph node biopsy for in situ melanoma is unlikely in Australia' by Morton and Thompson *T Badger-Parker, S-A Pearson, I A Scott, A G Elshaug*
